

**REMARKS**

Claims 42 – 59 are pending in the application. Claims 1 – 41 have been cancelled without prejudice or disclaimer to the subject matter recited therein.

Claim 42 has been amended to recite “where the upper face (**h**) of the blade is within the plane of the front surface of the rotor, or a transition phase from passive to active position - on the angular sector  $\gamma_1$ ,” adding the term “blade” to thereby correct the grammar of claim 42. Applicant respectfully requests entry of this amendment since it does not affect the scope of the claim and has been filed with the payment of the issue fee in this case.

If there are any questions regarding this application please contact the undersigned attorney. Please charge any fee deficiencies or credit any over payments to Deposit Account No. 14-0112.

Respectfully submitted,
